Dear BCT Members:

As discussed in the October 2005 BCT meeting, replacement pages and a CD for the Final Landfill gas monitoring reports will be sent in lieu of sending the entire hard copy to save on costs and resources. Enclosure (1) includes the cover, spine, signature page and CD for the Final Monthly Gas Monitoring Report for November 2005, Post-Removal Action Parcel E-2, Industrial Landfill, Hunters Point Shipyard provided for your records. One comment from EPA was received for this document; however, the comment did not affect the November report. Thus, no text or figure replacement pages are provided. A copy of the response to the comment (RTC) is also included as part of Enclosure (1). For those who receive CDs only, the RTC is available upon request.

Should you have any concerns with this matter, please contact Ms. Melanie Kito at (619) 532-0787.

Sincerely,

KEITH FORMAN
BRAC Environmental Coordinator
By direction of the Director
